

STATE OF MIND Nootropic

DESCRIPTION:

Formulated with our unique blend of nootropic ingredients has been specially crafted to enhance cognitive function and improve mental clarity, so you can achieve peak performance in every aspect of your life!

HOW IT WORKS:

Our dietary supplement formula is designed to be a brain enhancer supplement that supports memory, focus, and cognitive processing speed. Each ingredient in our blend has been carefully selected to promote mental clarity and creativity.

CAFFEINE AMOUNT: Approx 30 mg

NET WEIGHT: 8.8 oz/251 g

BEST USE WITH:

- **Energy booster** – supports energy levels and cognitive performance
- **Adrenal support** – supports mental health and stress levels.
- **Happy Burner** – supports happy mood, energy and cognitive function.

KEY BENEFITS:

- Boosts memory retention
- Sharpens focus and concentration
- Accelerates cognitive processing speed
- Enhances creativity and imagination
- Reduces stress and anxiety to improve cognitive performance

HOW TO ENJOY:

For optimal results, mix one (1) scoop of powdered formula with 12 fl oz of water or more to taste. Shake or stir until fully dissolved and enjoy the refreshing pineapple flavor as your body feels an energizing boost. Best enjoyed 20-30 minutes before any physical or mental activity.
